

WINN LAW FIRM

CASE UPDATES

Each client receives at least 1 free case update via phone and/email once per month. We usually each time we get an update.

Each Client receives log in information for a portal whereby they can log in 24/7 365 for the latest case information. The portal includes court dates & payments.

To find case updates or court dates please check your portal, casenet, or municourt.net. We ask that you do this prior to calling the firm.

During your monthly call we will discuss case developments, strategy, and answer any questions you may have.

Clients who initiate phone calls and emails outside of the scheduled update will be billed.
