WINN LAW FIRM NEED TO TALK?

YOUR CLIENT PORTAL is the quickest and preferred method to contact us. If your portal is not working, then please email us right away.

If your client portal is giving you issues then shoot us an email.
winnerscircle@thewinnlawfirm.com

If you have given us 24-48 hours to respond and you have not been acknowledged then we suggest calling. Our office is 573-234-5442.

Each client gets 1 free call per month in addition to any calls we initiate to you. If you want to keep legal cost low or stay within your contract, then limit phone calls and emails because we bill for calls and emails unless it's an exigent circumstance.

Since we are primarily trial lawyers we spend 90% of our time in court. We are happy to answer calls and emails from our beloved clients but keep in mind that we bill for calls and emails that we don't initiate.
